

Framery One Compact™

To maintain your pods high quality, we suggest performing these checks annually.

Interior

Check that the gasket has not come loose and is properly in place.

Interior

Check that air comes out of the ventilation channels.

Exterior

Check that the exterior panels are aligned and that there is no significant gap between the panels.

Electrics

Test the electrics (light, fans, occupancy lights, power outlets).

Door

Check that the handle cover is properly in place.

Table

Tighten the table screws.

Stool

Tighten the stool leg screws.

Hinges

Check that the spring hinges are correctly adjusted (preventing the door from blocking the pathway).

Door

Ensure proper closing and sealing of the door.
