

Framery Six™

To maintain your pods high quality, we suggest performing these checks annually.

Exterior

Replace the filters.

Interior

Check that air comes out of the ventilation channels.

Electrics

Test the electrics (light, fans, occupancy lights, power outlets).

Interior

Check that the gasket has not come loose and is properly in place.

Table

Tighten the table leg screws.

Glasses

Make sure that the back glasses are aligned with no gaps or thresholds between the glasses.

Hinges

Check that the spring hinges are correctly adjusted (preventing the door from blocking the pathway).

Door

Tighten the handle screws.

Door

Ensure proper closing and sealing of the door.
