1 Important safety and product instructions

1.1 Preface

This instruction manual describes the installation of the product. Everyone involved in installing the product must read and understand the contents of the installation and safety instructions.

This instruction manual gives you necessary information for the correct installation of the product.

For complete product and safety instructions, see **help.frameryacoustics.com**.

1.2 Product information

The information in this manual corresponds to the product at the time of delivery. All information included in this manual is valid at the time of publication.

1.3 Copyright

This document must not be copied, presented, or delivered to a third party without explicit permission from Framery. The use of this document for any purpose other than those allowed by Framery is prohibited. Framery reserves the right to change the instructions related to the product without separate notice.

1.4 Manual contents

The installation instructions contain the following information:

- General information about the purpose and content of the instructions
- Information related to safety
- Instructions for moving the pod

2 Move the pod

- ⚠ **Note:** Only push the pod below the vertical middle, do not tow it.
- ⚠ **Note:** Only move the pod at walking speed.
- ⚠ **Note:** Only move the pod on even surfaces. The pod can cross thresholds a maximum of 3 mm.
